Dedication

With sincere appreciation and pride we dedicate this ALBUM of 1956 to Hazel Osborne, our school nurse and friend.

She has been an integral part of Onteora for over four years and has won the respect and admiration of the students.

She knows each student by name and his family as well. We are sure she is clairvoyant. She can tell if we are really sick by just looking at us. If we are sick she is most solicitous. If we aren't she gently but firmly reminds us that classes are waiting for us.

Her smile, vibrant personality, and warm interest in young people will indeed be a pleasant memory of Onteora.

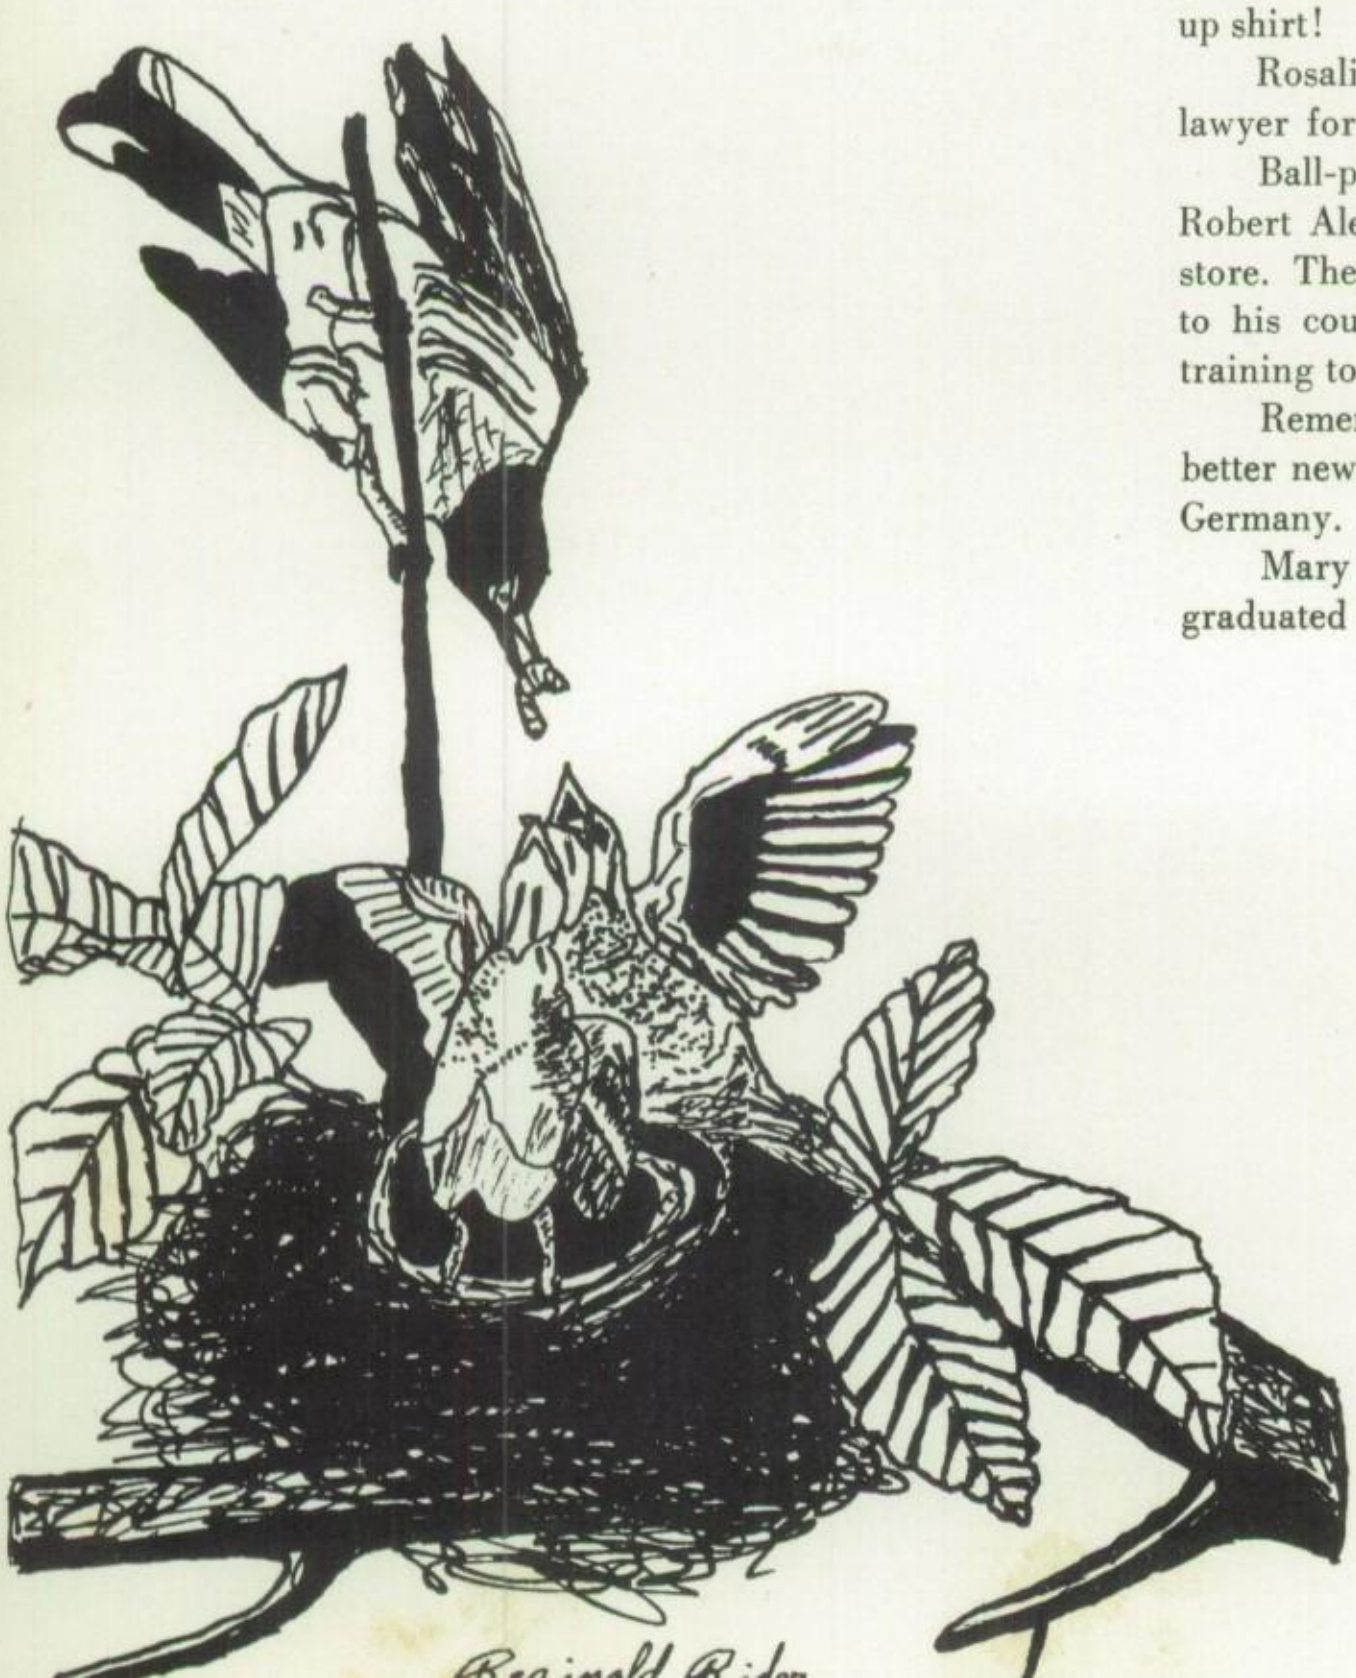
Prophecy

While working on my homework the other night, I sat back and started to think of what the future holds in store for the Senior Class of 1956. I fell asleep and had this dream. I dreamed that I had entered a cave in ancient Greece and heard a voice. The voice was from a Delphic Oracle who prophesied the future of the class. He told me the class was going to have a lot of successful and worthwhile people. He also stated that the future men and women from our class will grow into respectable citizens of the country and their own towns or communities.



I see Howard Biegler vaguely out there in a mist. Oh, wait, it is clearing and there he is, sitting at his desk with the sign "Manager of Business" on his office door. In his spare time, he's the original playboy.

"Sailing, sailing, over the bounding main"—Ahoy there! Look at Walter Baughman. He says, "It's a bachelor's life for me. Navy, here I come!" Along the dock come Dan Berggren, Robert Myers and John Schoonmaker resplendent in their dashing Navy uniforms of blue and white. Bob has just come back from circling the globe in his leisure time, while John is home on leave, sporting a real gone outfit from Mexico. Dig that crazy mixed up shirt!

Rosalie Jones has become a corporation lawyer for I.B.M. Kevin Eagen is her boss.

Ball-point pens are cheaper, now-a-days with Robert Aley employed at Wanamaker's department store. They are now eleven cents. Bob lures people to his counter by singing about his wares; he is training to become a popular crooner.

Remember Walter Etz? He prints bigger and better newspapers since he has returned home to Germany.

Mary Jackson and Stephanie Cange have just graduated from nursing school. Mary immediately

joined the Navy's Nursing Corps and rapidly rose to the rank of first Lieutenant. Stephie, along with Doris Juliano, Pat Farrell, Wilma Simmons and Joan Sommerville traveled around the world.

Did you see that streak of lightning? That was Glenn Glass, United States winner of the National AAU Track Event of two and a half miles with a time of nine minutes and twenty seconds. He is practicing for the next Olympic event in 1960.

Taylor University in Indiana is having a hard time quelling Trudy Krein's high-jinks. Trudy is leading a hilarious and flirtatious life; she goes out on the town every other night.

In a pretty little cottage on Domestic Lane lives Mary Gulnac with her family of four children. She is very friendly with her neighbor, Lila Kirk who also has a brood of four. Lila has a full schedule—she is employed in the firm of "Y" in Kingston, N. Y. Look at that trim figure skimming along the crest of the Florida waves! Why, it's Alice Stevens! She's become a water-skiing instructor. On her dry days she is a secretary to the law firm of the Federal Depositor's Insurance Corporation.

Ed Swenson coaches Colgate's spectacular football team, but like all important men, Ed has a hobby—chicken farming.

Joan Trowbridge will be working hard for about a year and then the man of her dreams will come along and sweep her off her feet to award her with a "Mrs. Degree."

Mary Ellen Staiger will be attending Albany Business School and then will become the President's secretary.

Bob Shultis will be taking Duke Snider's place in center field. He will have a batting average of 616. Boy, he's hot!

Dorothy Lewis will become a secretary's aid to a handsome major in the U.S. Air Force.

Linda Marlatt will teach first grade for one year and then receive her "Mrs. Degree" also.

The Olympic weight lifter of 1960 will be Joe LaRocca. He will have broken the world's record by lifting 640 pounds.

Joan Gelbert and Dorothy Williams will be flirting with the boys during their lunch hour at I.B.M.

Pete Pike will graduate from a college of electrical engineering and work for C.B.S.

Making her debut on Friday the 13, 1960, Jacqueline Friedman will captivate the audience by playing a Mozart Concerto in Carnegie Hall while being accompanied by the Philharmonic Orchestra.

Alma Every will be a tremendous success in home life and as a business secretary.

Ben Robinson and Dave Leacock and Bob Hall are having fun in the big blue sky. They are all jet aces in Uncles Sam's Air Force.

Rudy Rossmann will be sailing the coast of America as an Admiral of the Coast Guard. The job he likes best is rescuing maidens in distress.

Sandra Anderson will be a secretary to a big executive who has a swanky yacht that goes between the United States and Bermuda.

Bill Caton will be drawing cartoons and advertisements for the "Saturday Evening Post."

Bill Reynolds will be a surveyor going to his jobs in a fleet of Jaguars. He only owns two, but that's good enough for the girls of New York City.

While skiing on the slopes of Belleayre, Caroline Draper will be getting patients by the dozens by running other skiers into trees. Tch, tch - - they should have watched where they were going! This girl is very progressive.

Reg Rider will still be as shy as ever. He will be cruising all over the world in his 60-foot yacht.

Lee Schirmer will be playing the harp in the college orchestra at night, while during the day, he will be designing Fords.

The new head of the New York State Conservation Department is John Fricke. Since he has been in office, there hasn't been a conflagration yet.

Tony Barringer, chief machinist at I.B.M., will be working hard. A staff of half-a-dozen stout men will be under him.

George Bedell will be working on diesel engines and at the end of the day, will drive fifteen miles to his house in six minutes in a 'hot Merc'.

Rosemary Fuchs will be a secretary for a big concern. She will be in charge of foreign material because of her experience in P.O.D. Class.

Ray Shultis is planning wedlock. But right now, he's broke and a fabulous wedding seems far in the future. So, after O.C.S. he's off to get a job and earn some moola.

People tune in "News Caravan" nightly, to listen to reports of Dot Parsons' progress on her hitch-hiking tour of the world.

Lester Shultis is busy on his farm, trying to breed a chicken with four legs, for people who like drum sticks.

Album Staff

The twenty-four members of the actual staff, with the help of seventeen Junior Apprentices, published the "Album" and in so doing realized its sole purpose. Under the guidance of Mrs. Katherine Wagenfohr in the art and layout department, Mr. Jules D. Viglialmo in literary, and Mr. Edward Hearn in charge of business. The staff began the monumental task at its first meeting and with a sigh put the "Album" to bed in early March.

Class of 1957

The 57 members of the class of 1957, under the guidance of Mr. George Benedict, had a socially and financially successful year. The big event of the fall was the choosing of the class ring followed by the "Snowflake Swirl" in January. In the middle part of the spring, the class sponsored the annual Junior Carnival and then combined talents with the Senior class to produce a very successful Junior-Senior Prom. The year's activities were climaxed with the annual class picnic which was thoroughly enjoyed by all.

The Photography Club's 40 members must be interested in photography and willing to sacrifice some of their free time for darkroom work. Under Miss Evelyn Stone's direction, members learn to handle cameras in the field and the art of developing good prints. The club works in close conjunction with school activities, such as the "Onteorator," the "Album," and other school printed material. Most of the photography for the "Onteorator" is handled through the club and a few of the "Album" pictures were taken by its members. Some of the pictures also find their way into the local newspaper.

Projection

The Projection Club includes 63 high school students under the direction of Mr. Vincent Carey. The purpose of the club is to familiarize students with the visual-aids equipment and technique so that they may aid the teachers in showing film-strips and themselves project the movies that are shown at school. The members also operate the school public-address system and serve as a stage crew whenever necessary.

Onteora's Crucible Smashers is open to all junior and senior high students o good academic standing and consists of some 20 members under the supervision o Mr. Jules D. Viglielmo. Its purpose is to foster and promote such scientific bents an capacities as are evinced by the membership. The general organization and atmos phere of the meeting are kept quite informal to permit free exchange of ideas an full play of the imagination. Little time is spent in actual group "meeting" in th belief that "learning by doing" is most applicable to all scientific work. Trainin in the scientific method rather than vocational preparation is the primary concern o the club.

Thrift Tellers

The thrift tellers are a very necessary group in the banking program at Onteora, under the guidance of Mr. Stahl and Mr. Fay. The elementary wing is covered by Mr. Fay's "Introduction to Business" class and in the junior-senior high wing, two students from each homeroom are chosen to take care of the money. So far the students fulfilled their jobs very efficiently and capably.

The majorettes under the instruction of Arlene Corrado had a brilliant year. The girls donned their uniforms to brave the cold air as they led the band down the field at the last football game against Guilderland and have also performed with the band at various concerts, basketball games and last but not least twirled in the Memorial Day parades.

Varsity

This year's Varsity team consisted of only five seasoned players. Two newcomers, Floyd "Bubby" Boland and Lou Vanacore, along with six of the fellow's moving up from the JayVee ranks, constituted the team.

All in all the team was vastly improved, more experienced and displayed better team and pass work than was ever shown before. Winning over Tri Valley, New Paltz (twice), Walkill, Cairo, and Marlboro gave the boys more poise and increased confidence.

Captains ..... Ted Jensen and Dick Smith
Manager ..... Glenn Glass

Basketball

The Junior Varsity represented almost all new material as Coach Shekitka chose his team. Inspite of their general lack of experience at the start of the season, they progressed rapidly tucking a few victories under their belts. Two of the schools defeated were Fleischmans and New Paltz.

Cross Country

Front Row, left to right: H. Hopkins, O. Krein, G. Foster, R. Glass, J. Lawrence. *Second Row*: Mr. Stahl, K. Hahn, H. Wendler, R. Wilkens, B. Hopkins, G. Glass.

Onteora once again proved itself invincible in this department as its team swept the U. C. A. L. field and secured for itself the Cross-Country Championship trophy. Virtually undefeated, it lost to the Kingston Varsity by a point, then went on to win in Class C of the Sectionals at Bear Mountain. Three of its wins this past season were by perfect scores, 15-40 with low score the victor, over Guilderland and Walkill, twice. Glenn Glass wrote in a new record time for the two-mile here at O.C.S. at 10.33, a mark that Glenn may well be proud of. Our "Hill and Dalers" are a real credit to Onteora.

Captain ..... Gerry Hoyt

Girls Basketball

Now in their ethical year of interscholastic sports for the girls at Onteora, the team, with the coaching of Miss Gorton, battled valiantly against Kerhonkson in the only play-day of the season which was held at O. C. S.

The Boy's Leaders Club, under the guidance of Mr. Edward Witko, consists of 25 members who are interested in tumbling and gymnastics. Each member joins to develop and perfect skills and stunts in these areas. On March 23, a Physical Education Demonstration included the work of the club.

The Girl's Leaders Club, under the guidance of Miss Marie Gorton, has 20 members whose qualifications include interest in advancement skills, and interest in assisting in Physical Education classes and programs. Various Play-Days were held at O. C. S. and the members organized these programs. The annual spring Physical Education Demonstration with the assistance of the Physical Education Classes, was presented and organized by the club members.

Dance Band

The 15 members of the Dance Band, under Mr. Harry Simon's leadership, were selected for membership by being better than average in music reading. The purpose of the organization is to represent Onteora at school banquets and concerts which it has done this past year. The band has been fortunate in obtaining 18 special arrangements written by Art Dedrick. Mr. Dedrick, for many years, did all the arranging for the Vaughn Monroe Band and many top flight bands.

This year's Varsity and Junior Varsity cheerleading squads were a vital part of every Onteora sports event. The squad, under the able direction of Miss Gorton, led cheers at all games in order to keep the spirit alive and show that the students were backing them. Some of the highlights for the squad were the new formations introduced and effective cheers worked up with the band.

High School

Under the direction of Mr. Harry Simon, the Onteora School Band is one of the most active and best developed extra-curricular groups in the school. Along with its several home concerts, it has also performed in Kingston and last year brought home a 3-C rating in state competition. Another facet of the Band's activities is its performance at home basketball games, an effort that has contributed greatly to the stimulation of school spirit and morale.

The 15 members of the Dance Band, under Mr. Harry Simon's leadership, were selected for membership by being better than average in music reading. The purpose of the organization is to represent Onteora at school banquets and concerts which it has done this past year. Quiet, please! Genius at work.

What's a matter, Robby?

Who's afraid of the big black wolf?

Which one's the dummy?

Not US!

"It was about that big." (How big?)

Anymore it don't make.

. . . now if you take a deep breath.

The Blushing Bride.

We wonder where the yellow went.

Trick or Treat.

Who was she, Mr. Deming?
